

# Car Emergency Kit Checklist

In addition to everything listed here you will also need a properly inflated spare tire and the tools to change a flat tire and jumper cables. Get a heavy duty zippered canvas bag to keep all of these items in. Don't store chemicals next to the food and water. You may want a tote for the food and water.

- Small tool kit
- Utility knife
- Window breaker/ seat belt cutter tool
- Small shovel that folds
- Flashlight (don't store batteries inside)
- Headlamp (don't store batteries inside)
- Extra batteries (these will die faster in the heat or cold)
- Reflective triangles or emergency flashing lights
- Compass (here is a compass with a whistle and firestarter)
- First aid kit
- Mylar blankets (1 per potential passenger)
- Body and Hand warmers
- Paracord
- Reflective vest
- Cell phone car charger
- Duct tape
- Shop cloth (or rag)
- Work Gloves
- Cable ties (zip ties)
- Baggies
- Rain poncho
- 6" glow sticks - also can get rechargeable LED light sticks
- Drinking water
- Nonperishable high-energy foods (nuts, dried fruits, hard candy)
- Blanket
- Warm clothing (or change of clothes)
- Wool socks
- Warm hat (beanie)
- Winter gloves
- No spill gas can (2-5 gal capacity - kept empty for emergencies)
- Non-explosive Flat tire inflation canister
- Extra car fuses
- Pen and paper
- Sanitation supplies (toilet paper, wet wipes, sanitizer, feminine products)
- Solar battery charger
- Battery powered radio
- Toiletries (soap, shampoo & conditioner, toothbrush, brush, etc)
- If you live in an area with a lot of snow, you will want to add snow removal gear. Especially an ice scraper.
